Great dealBy VThe stickers are about as reusable as most normal stickers, in that they can be peeled and re stuck a few times before they stop sticking all together. I was expecting something like tension stickers which are truly reusable on most smooth/slick surfaces or something like the removable wall decorations made for children's rooms that can moved over and over again. However, the amount of stickers and the quality of the animal pictures is a great deal for the price.1 of 1 people found the following review helpful. Beautiful Stickers but NOT Reusable!By RachelBeautiful stickers but NOT reusable! The paper is so thin that they tore even with me getting them off for the kids. You can't reposition them or they curl up and won't stick. Definitely a one time use product--if it doesn't tear up when you try to even get the sticker off the page.0 of 0 people found the following review helpful. These stickers are wonderful.
