Marjorie J McDonald : Fabric Dyeing Journal before purchasing it in order to gauge whether or not it would be worth my time, and all praised Fabric Dyeing Journal:

Record Your Personal Dye Formulas Recipes for your favorite colors can be used over and over Get Beautiful Results Everytime Start from combinations that work Knowing How to Avoid MUD Brown is Important A bit of this color and a bit of that color randomly added, often end up in mud brown Specific Formulas are Time and Money Savers Develop and use dye recipes for quick project handling to get consistent results Stop Wasting Your Resources Get the color accurate Start and Finish Quickly Match the color you need for the project Members in my dye groups and classes

love this methodGet Started Now You will be able to enjoy dyeing more with this excellent tool!
