1 of 1 people found the following review helpful. Fabulous BookBy imagineer586 Fabulous Frames is a fabulous book. It gives detailed instructions on creating each frame and the instructions are easy to follow. The book also gives you a few alternative ideas for each frame which stimulates the imagination to other possible ideas. Overall, I thought this book was fabulous for beginners and amateur crafters. 1 of 4 people found the following review helpful. Great ideas! By A Customer I like this book, and it has lots of good ideas that can be adapted to other materials. Now, if I could only remember where I put it...
