Using designs from seven of the bestselling stamp sets created by Gina K. Designs, this guide enables crafters of all skill levels to create unique, framed greeting cards. Each featured stamp set includes a frame large enough to fill an A2-sized card beautifully, while also providing complementary sentiments and images to use as stand-alone focal points or to create patterns. Project ideas featuring both line-art frames and bold frames allow virtually every rubber stamping technique to be explored. Detailed step-by-step tutorials demonstrate each new technique, and gallery projects show design variations for year-round themes, occasions, and styles, making this a handbook that paper crafters will love to explore.
