Debbie Schramer, Mike Schramer : Fairy House: How to Make Amazing Fairy Furniture, Miniatures, and More from Natural Materials before purchasing it in order to gage whether or not it would be worth my time, and all praised Fairy House: How to Make Amazing Fairy Furniture, Miniatures, and More from Natural Materials:

2 of 2 people found the following review helpful. Absolutely amazing! The instructions are clearBy Grammy KAbsolutely amazing! The instructions are clear, humorous, and unique. I love the ideas, directions, and creativity. I have started the preparations and look forward to trying these whimsical projects. This book is on the top of my list, and I highly recommend it to anyone with a fairy in their lives.2 of 2 people found the following review helpful. it's a nice book, gives instructionsBy catladyit's a nice book, gives instructions, but I don't know why it's called fairy house, it's all furniture, no houses, . but you can see that from the table of contents.0 of 0 people found the following review

helpful. Beautiful photos - book not very useful
By TrishIt is an interesting book showing what an artist can create. I was not expecting materials to be only natural and often not readily available. I teach Art and make fairy environments as a hobby, but this book was not very useful to me.

Fairy House is a fascinating adventure into the making of miniscule kingdoms of the fairytale realm from objects found in nature. Through more than 350 clear, detailed, full-color photographs and understandable yet whimsical guidance, the reader will learn to fashion intricate, tiny cups from acorn pods and grapevine tendrils, dreamlike beds from delicate flowers and leaves, and an amazing array of other beautiful and unique pieces that will inspire the reader to find their true artistic ability and imagination. A photo gallery of other stunning pieces provides the reader with more possibilities to create. Projects include: The Forest Cottage The Fairy Garden Princess Canopy Bed Garden Wishing Well Tower for the Elfin King The Gardener's Wagon Fairyland Gazebo The Fairyboat Bed Woodland Characters and many more!

"The Schramer's treehouses are striking for their attention to detail, for their child-like sense of whimsy and their originality. They are enchanting; I have never seen anything like them." Agnes Gund, Past President, Museum of Modern Art, N.Y. "Husband and wife team Debbie and Mike Schramer craft a magical world in their artistic creations with nature as their inspiration." National Endowment for the Arts "Debbie and Mike Schramer's Fantasy Treehouse is a creation of pure whimsy, where fairies reside in decorated nooks and crannies of a magical tree." The Baltimore Sun --Praise for the Schramers
About the AuthorMike and Debbie Schramer's nature art has been featured in many books including Chairmania, Morning Glories, and Forget Me Not. Their work has also been exhibited in Travel and Leisure, Country Folk Art, and Faerie magazines and the Seattle Times, the Los Angeles Times, and the New York Times newspapers, among others. Their work has also been exhibited at the American Visionary Art Museum, Seattle Art Museum and the Rosalie Whyel Museum of Doll Art has many of their intricate fairy pieces in their permanent collection. Their art has is collected and purchased by many well-known people including film producer Gil Netter (Life of Pi, The Blind Side), actor Aidan Quinn, Jennifer Nicholson, daughter of actor Jack Nicholson, Mimi Danly, artist for Jim Henson, authors Mary Emmerling and Tricia Foley and Bob Timberlake, artist, author and designer. Just a few of the hundreds of shops that have carried the Schramer's nature art include Fillamento and Felissimo in San Francisco and New York and the Ferrin Gallery, the Utica, the Phoenix, the Panaca and the Takashimaya, Japan, galleries. Mike and Debbie's beautiful art pieces have been in New York department stores as well as in show rooms, art auctions and major art and miniature shows in other parts of the country as well. Commissioned pieces were accepted in the catalogue Finishing Touches for several years and for the New York Toy Fair by artist and author Lauren Mills.
