**Angela M Arnold : Fanciful Flowers** before purchasing it in order to gage whether or not it would be worth my time, and all praised Fanciful Flowers:

0 of 0 people found the following review helpful. I love her work and will order againBy CustomerAngela is a very talented artist! I love her work and will order again!0 of 0 people found the following review helpful. Very nice book! Love it and the authorBy Janice BirdVery nice book! Love it and the author!2 of 2 people found the following review helpful. Simply Gorgeous!!By Michelle M.I love the images in this book! They are intricately detailed and so beautiful. The paper is good quality and I haven't had any problems with my markers bleeding through onto the following pages. Each image is on its own page so there is no issue with images on the back of another. The pages aren't perforated but I prefer that as I like to keep my coloring books intact. I actually had to purchase another copy of this book for my daughter because she wanted to color the pictures as well and I didn't want to share! Can't wait for more books from this talented artist!

Relax and unwind with these lovely zentangle designs from artist Angela Arnold in her new coloring book for adults. Spend hours of enjoyment as you enhance these personally crafted floral images with your own colorful imagination. Each of the 32 intricate designs is printed on its own page for ease of coloring.
