Joyce Dean Gieszler : Fantastic Stash Quilts: 8 Projects 2 Ways Using Yardage or Scraps before purchasing it in order to gauge whether or not it would be worth my time, and all praised Fantastic Stash Quilts: 8 Projects 2 Ways Using Yardage or Scraps:

0 of 0 people found the following review helpful. Nice quilts! By dixiepeach Nice quilt patterns in this book! I hope to take a class from the author later this year. 1 of 1 people found the following review helpful. Three Stars By wvgrlntx Beautiful quilts to make to use up your scraps!!

Piece beautiful blocks from your scraps or uniformly plan your approach from fabric yardage the choice is yours! Start with 8 quilt patterns, each shown in 2 distinct looks, plus get easy sewing and pressing tips to remake quilts in your favorite fabrics. With line drawings of each quilt to color in, the possibilities are endless! Even beginning quilters will

be able to jump right in and sew their own colorful stash quilts.

I love the way this book gives you two options for each quilt. You can either use scraps or yardage to create some amazing quilts. I love Joyce's designs, they are so refreshing. There are 8 different projects in the book and all of them are made the two ways. Joyce takes you through making each of the quilts, describing how to make each block and then to make each quilt. There are diagrams to help you to complete each of the projects. I love the fact that she also includes different quilt tops that you can sew. The designs are beautiful and add to each of the designs. With each of the designs you are provided with an outline of the design so that you can colour it and create you own design. I love the striking designs that use simple processes to create the most amazing quilts. I love this book. It gives you so many option and makes it so that you can choose whether you want to use your scraps or use yardage. This is one book that I want to make most of the quilts within the book. I am so excited by the designs. (crochetaddictuk.com, November 2016)About the AuthorJoyce Dean Gieszler's lifelong love affair with sewing began when she was four years old. She has taught quilting and designed patterns for more than fifteen years. She and her husband, Mike, live in Hillsboro, Oregon.
