Most of these designs will require either very sharp pencil or a gel pen for the tiniest areas. The entire book is of course Victorian fashion and I did find that quite tedious after a while. Each page takes quite a while to finish because of the backgrounds. The print link is located in the back of the book and works as expected. 0 of 0 people found the following review helpful. Yes!By RavenMadArtEvery picture in this book is beautifully drawn. They

capture the vintage era very well. Scenes include people: in gorgeous homes, in an antique car, dancing, strolling, ice skating, on the beach, etc. It is definitely worth buying! Pictures are printed double-sided.0 of 0 people found the following review helpful.
