Personally I would have loved to have more clothing patterns but that is a matter of personal preference. 2 of 2 people found the following review helpful. very happy with purchase By Keiko Lovely clothes patterns for Barbie.....very happy with purchase. Thank you 1 of 1 people found the following review helpful. cute items By C Love the patterns, I see a lot of things I just want to make for a doll house. They are just so cute. Love every single one of them. The book has just about everything you can crochet for a doll house. There is a few living room sets to choose from. Some bed sets to make, a few evening gowns that is just beautiful. Also there is some accessories that is absolutely cute for a doll.
