Everybody loves stitching hexies! It's a great way to slow down in the middle of a busy life. Get in on the hexagonal craze with a better way to mark and cut hexagons: fast2cut HexEssentials Viewers templates from Kathy Doughty of Material Obsessions. With center cutouts that make fussy cutting a breeze with built-in seam allowances, Viewers help your customers create perfect hexagons for hand or machine stitching.

Shapes Cut With Ease Hexagons, diamonds, and triangles are cut in no time using Kathy Doughty's Hex Essentials

sturdy acrylic shapes. Easy instructions show you how to cut from fabric strips, fussy-cut using the view finder, plus how to English paper-piece, or sew inset seams. Comes in 3 sizes: small, 1 , or 2 viewers. (Light of Consciousness: Journal of Spiritual Awakening, January/February 2015)Join the hexie craze! Use these acrylic templates to easily cut pieces for hand or machine piecing. The open center allows you to center a design for fussy cutting and to trace a stitching line for hand piecing. Cut around the outside with a rotary cutter. Three sets available in sizes from 1/2" - 2 1/2". Larger sets include a diamond and a triangle template for creating multiple settings. (Fons Porter's Easy Quilts, Winter 2014)About the AuthorKathy Doughty began making quilts over 20 years ago after a move to Australia. She opened a patchwork shop in 2003 called Material Obsession which is now popular worldwide for traditional contemporary designs. Kathy and her husband/site photographer, John live in Sydney, Australia, with their family.
