Two StarsBy Kathrynwas not what I expected - was looking for party favors made from tulle and organza0 of 0 people found the following review helpful. Interesting Favor BookBy CustomerI found this book to have several interesting, easy to make projects. The favor ideas were grouped by section to focus on the type of event. The book has a good list of sources for obtaining the supplies used on each project. It also includes patterns for the handmade boxes, pouches,and cones.0 of 1 people found the following review helpful.

Favor With FlairsBy yathzeeThis book was not very informative. If you have a good eye for decorating and a minimum of taste, this book was a waste of time. It's feeled with very limited ideas. The book is a rip-off. Don't waste your money buying it. I would send it back, but the postage alone, cost more than the purchase. You could go to the Dollar Store and find books with more information that this.

Favors have become an essential element of weddings, parties, and celebrations. Many people choose to make their favors even if they do not usually craft, since these little thank-you gifts are the perfect place to add a personal, creative touch to an event. Favors with Flair offers 75 favor designs as original as they are stylish. The projects use a variety of papers, embellishments, and other craft and party supplies. With 75 choices, there is something for everyone: romantic favors for weddings and anniversaries, imaginative designs for milestone events like baby showers and graduations, fun designs for theme parties, and joyful favors for holiday gatherings. Whimsical or elegant, thoughtful or playful, these are special favors for the special occasions of life.
