Five StarsBy Iuri Andreas ReblinIt is an amazing book that review Fawcett Company's history in an unusual way.2 of 4 people found the following review helpful. Fawcett City CompanionBy Steven HaagBook provides a great deal of information on the people who worked at Fawcett Comics, but little information on the characters they created.

The Fawcett Companion examines the history of Fawcett Comics, publisher of Captain Marvel, The Marvel Family,

Spy Smasher, Bulletman, Ibis the Invincible, and other time-honored comic book characters. Editor P. C. Hamerlinck has compiled this volume, collecting the best material from the nearly 30-year history of the Fawcett Collectors of America Newsletter. Presented here are interviews and features on C.C. Beck, Pete Costanza, Marc Swayze, Will Lieberman, Otto Binder, Rod Reed, Ginny Provisiero, and more, with behind-the-scenes looks at how the company operated from its 1940 beginnings until ceasing publication in 1953 in the wake of a legal battle with the owners of Superman. Also included is an index of all Fawcett comics published, plus rare and unpublished artwork by Beck, Swayze, Kurt Schaffenberger, Mac Raboy, Alex Toth, George Evans, Alex Ross, more!
