Paperback.0 of 0 people found the following review helpful. Wow!!! Love This Book!!By AngelWow!!! Love This Book!! It helped expand my creative mind where I was already heading! Affirmation! Great find! Thank you!0 of 0 people found the following review helpful. is just so easy, with this instructions and inspiring patternsBy M. LeetMaking small dolls, to carry, for a nature table, to give someone who needs a smile, is just so easy, with this instructions and inspiring patterns. My daughter made five the first few days we owned this. I highly recommend it, especially if you wish to have a project that is easy and compact to carry around.

Learn to create your own tiny figures and accessories using wool felt, chenille stems, simple embellishments, and Salley's new step-by-step guide. Ideal for dollmakers, quilters, embroiderers, and crafters of every skill level.
