Fiona Goble : Fiona Goble's Fairy Tale Knits before purchasing it in order to gage whether or not it would be worth my time, and all praised Fiona Goble's Fairy Tale Knits:

1 of 1 people found the following review helpful. Dolls That Illustrate Six Favorite Fairy TalesBy Lynne E.Generally I love Fiona Goble's books with designs for knitted toys, but I definitely do not care for FAIRY TALE KNITS. It's a collection of little knitted dolls that recreate the characters from "Little Red Riding Hood", "Rapunzel", "Hansel and Gretel", "Goldilocks and the Three Bears", "The Three Little Pigs", and "Beauty and the Beast". The figures are pleasant enough, but I can't imagine what I would do with them after putting in the effort it would take to knit and stuff them. A gift for a child? A "Rapunzel" diorama? A teaching tool in an elementary classroom?Some of the Goble books that I really like are these: Knit Your Own Zombie, The Twelve Knits of Christmas, and Knit Your Own Royal Wedding. All of these have characters that I think would be fun to knit and would make interesting displays. Because I can't see the need for dolls that illustrate these six well-loved fairy tales, I rate FAIRY TALE KNITS at 3 stars ("It's

OK" on the official scale).1 of 1 people found the following review helpful. a favorite designer!!By chinadolladyThe book is a joy. love all the characters. I haven't knitted any from this book, but did from the royal wedding book. The book is in color, full of whimsy and character.I love this designer, she has such a refreshing style. The dolls are small and work well with Red Heart Worsted yarns!I wish it were a wire bound book so it would open flat. Seems to be a cheesy cover, more like a magazine than a "book". But wonderfully done!!0 of 0 people found the following review helpful. Thank youBy CustomerThey are very fun I am looking forward to making them and having the grandchildren play with them for years yo come

From the sly yet foolish wolf of Little Red Riding Hood to the naive piglets of the Three Little Pigs, the contents make it a guaranteed hit with children and parents alike. All the patterns are straightforward, so that novices as well as experienced knitters can join in the fun.

About the AuthorFiona Goble's best-selling knitting titles have sold all over the world, and she is known for her charming characterisations of everything from the Holy Family (Knitivity) and Noah's Ark (Noah's Knits) to Santa Claus ('Twas the Knits before Christmas).
