We all need flowers in our lives. Pretty and fresh, they lift your spirits every time they catch your eye. "Five-Minute Florist" contains dozens of inspiring and affordable ideas for quick everyday arrangements that range from cutting-edge chic to soft and romantic. Suggestions range from easy flowers for entertaining to simple wrapped bouquets that make wonderful gifts. You also get the lowdown on secret strategies for the fast florist, from treating stems so flowers last as long as possible to choosing the right vase and getting the overall proportions right. Simply buy flowers, trim their stems, place them in a container, add water, and you're done!
