Total waste of three dollars By Mike Schilli This book is completely unreadable on a Kindle, on an iPhone, or on an iPad pro. The pages show hand-written prose so small that you need a magnifying glass to decipher the letters. What kind of idiot thinks this is a good idea? Total waste of three dollars. 1 of 1 people found the following review helpful. Great Little Book! By Customer This is a small but mighty DIY book on maintaining your clothes. The advice is easy to follow, sensible, and presented in a very upbeat and happy way. This would be a wonderful book for someone starting out on their own who wants to live a frugal life with their clothing. Plenty of down-to-earth suggestions that will benefit anyone who loves

their clothes and wants them to last as long as possible. The book is hand-lettered and illustrated but is very easy to read. A sweet and helpful book!

Learn to repair your clothes from this cheerful, handwritten, and hand-illustrated guide.
