**Donna Stein : FLORAL DESIGN IDEAS** before purchasing it in order to gauge whether or not it would be worth my time, and all praised FLORAL DESIGN IDEAS:

0 of 0 people found the following review helpful. Five Stars By MAGALHAES Loved the book! The images are wonderful, the arrangements are beautiful! I am delighted!

This book will give you an impression of around 45 of the most exciting hair salons from around the globe, in pictures, words and plans. The selection will show a large diversity of different architectural applications. Whether their design is innovative, minimalist, baroque, ethnic or kitch, each of these salons will reveal its own identity. A real inspirational tool for a hairdresser in search of new ideas for the conversion of his salon.
