Florists' Review : Florists' Review 101 How-To Favorites Volume 2 before purchasing it in order to gage whether

or not it would be worth my time, and all praised Florists' Review 101 How-To Favorites Volume 2:

1 of 1 people found the following review helpful. florist review 101By KellyI enjoyed this as a recap from floral design school. I recommend this as a constant for floral designers just starting out.

Easy to understand three-step how-to's you will use every day. Our readers loved 101 How-To Favorites, our best-selling book to date. That's why we've decided to publish a second volume that has all the same great features including easy-to-understand three-step instructions for each design. Chapters on vase arrangements, leaf tricks, topiaries, wedding designs and more make this volume an indispensable addition to every florists's workroom. Complete your library today. 101 how-to projects. More than 400 color design and how-to photos.
