Julia Clements : Flower Arranging Made Easy before purchasing it in order to gage whether or not it would be worth my time, and all praised Flower Arranging Made Easy:

Give every room added color and life with easy-to-make, professional-quality flower arrangements. 50 stunning displays shown in glorious color are accompanied by practical instructions. Try several -- each practices a different aspect of flower arranging. Ideas to make the most of your materials show how to care for your flowers, choose equipment and accessories, complement with color, and more.
