Nancy D'Oench : Flower Arranging the American Way: A World Association of Flower Arrangers (WAFA USA) Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Flower Arranging the American Way: A World Association of Flower Arrangers (WAFA USA) Book:

0 of 0 people found the following review helpful. Surprised by how artistic and innovative it is. Great book By ImMrBill3I was concerned when I ordered this due to the title, "the American Way" I had expectations of Better Homes and Gardens and Veranda country shabby chic and a couple dozen examples of center pieces for weddings. Boy was I surprised, this book showcases the art of a good number of very talented and creative American floral designers. Very unique stuff, and quite a variety. I can say some of the arrangements looked like the artist was trying a

bit to hard, certainly a small number. A few arrangements didn't appeal to me stylistically but that is a matter of taste. The book is well photographed, not quite the high art of some books in this field but really quite well done. I am impressed and pleased with this book. 1 of 1 people found the following review helpful. Creative, abstract designs
By sbmcquagge I purchased this book as a memorial for a nationally accredited Master Flower Show Judge. My judges council was well pleased with the content. The two sisters of the Judge said "These pictures look just like Opal's prize winning designs." 0 of 0 people found the following review helpful. Three Stars
By Will Good product. Excellent seller. Everything as advertised and delivered on the date shown.

Showcasing more than 250 designs by more than 130 gifted amateur arrangers under the auspices of the World Association of Flower Arrangers (WAFA USA), *Flower Arranging the American Way* is a contemporary celebration of an art form dating back to the third millennium bce. Superbly photographed by Mick Hales and other talented photographers, with each arrangement explained in clear and inviting detail by author Nancy D'Oench, the selection of designs shown here is distinctly American.

About the Author Nancy D'Oench is a writer, awardwinning flower arranger, lecturer, and longtime member of the Garden Club of America. She lives in Portland, Connecticut. Deen Day Sanders is vice president for publications for WAFA USA. Mick Hales is a noted landscape photographer and writer whose books include *Gardens Around the World: 365 Days* and *Gardens Private Personal*.
