Ikari Estudio : Flower Design Handbook before purchasing it in order to gage whether or not it would be worth my time, and all praised Flower Design Handbook:

0 of 1 people found the following review helpful. Flower DesignBy CustomerI was sorry to receive this book and see that it was not anythinglike what I needed. I expected actual flowers and arrangements.I am a garden club flower arranger and was very disappointed.It is possibly a very good book for those who desire designs only.

This book features more than 200 cutting-edge and surprising floral graphic motifs, grouped thematically in a useful and easy-to-use way including floral designs, oriental flowers, and work by leading illustrators. This is the ultimate graphic floral guide for professionals and aspiring designers. Illustrated throughout with copiable patterns, motifs and templates.
