**Georgeanne Brennan, Kathryn Kleinman : Flowerkeeping: The Lore and Craft of Preserving and Decorating with Dried Flowers** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Flowerkeeping: The Lore and Craft of Preserving and Decorating with Dried Flowers:

In this inspirational keepsake, Georgeanne Brennan and Kathryn Kleinman present an original approach to preserving and arranging flowers. Starting with Victorian traditions and techniques used to create wreathes, table decorations, wall hangings, picture frames, and other flower assortments, the authors move on to more recent techniques, describing waxing, sugaring, air drying, freezing, pressing, and using silver sand and silica. Tips and advice are complemented with superb color photographs.

About the Author Katharine Kagel is the founder and chef of Cafe Pasqual's. She helped to found Foodchain, the international association of prepared and perishable food rescue programs, as well as Santa Fe's the Food Brigade, an all-volunteer organization that distributes food to local shelters. She lives in Santa Fe, New Mexico. Visit [www.pasquals.com](http://www.pasquals.com) GEORGEANNE BRENNAN, winner of both Julia Child and James Beard cookbook awards, has

written over a dozen books on cooking and gardening. A writer and columnist for the San Francisco Chronicle and regular contributor to numerous other publications, she divides her time between her Northern California farm and her home in the Provence region of France.
