Grayson Handy, Tracey Zabar : Flowers for the Home: Inspirations from the World Over by Prudence Designs before purchasing it in order to gauge whether or not it would be worth my time, and all praised Flowers for the Home: Inspirations from the World Over by Prudence Designs:

0 of 0 people found the following review helpful. Five Stars By Debbie Wilson LorSuch a beautiful book love the pictures in it using this as a coffee table book 3 of 3 people found the following review helpful. Awesome colors and Flowers By Paola V. Fandez Garca I love this book, although it does not explain how to make each arrangement it is a beautiful book as a flower fanatic. The photographs are marvellous and the size of each page is perfectly used. I'm very pleased with my purchase. 1 of 1 people found the following review helpful. Great By Rnovaes Incredible book, great pictures inside!!!! There are so many elegant and modern ideas but at the same time I felt like I could do some of those flower arrangements. I totally recommend

Flowers for the Home presents over 100 simple and stylish floral arrangements for both everyday and special occasions that have been shaped by Handys worldwide travels. Showcased are floral designs inspired by cultures and traditions from such far-flung places as China, the tropical rain forest, the English countryside, and the American

South. Handy discusses the basic design principles we can learn from in each locale, from color palettes to indigenous materials, and provides step-by-step instructions and tips for assembling many of these joyful displays. The books stunning photography will encourage the creation of delightful bouquets for family and friends.
