**From Royal Botanic Gardens, Kew : Flowers of Love: A Kew Colouring Book** before purchasing it in order to gage whether or not it would be worth my time, and all praised Flowers of Love: A Kew Colouring Book:

Is your day a jumble of distractions? Does endless screen time sap your creativity? Do you wish for a little more Zen in your week? Then take a breather in a botanical world through two beautiful coloring books. Coloring books are the perfect break from the stresses and hassle of modern life. They offer a chance to interact with fantastical artwork while at the same time aiding in relaxation, improving dexterity, and encouraging mindfulness. No longer just for kids, coloring books have become best-sellers as adults reconnect with their creativity and their childhoods. Flowers of Love takes you through a lush garden of flowers such as sweethearts, forget-me-nots, and bleeding hearts. Sue Mason, a mathematician-turned-artist, has subtly woven in the theme of love throughout the book including a trail of hidden hearts. It features delightful, interconnected black and white drawings that will inspire artists of all stripes to let their imaginations run wild.

About the AuthorSue Mason is an illustrator whose art is inspired by the patterns in nature that she has discovered at the Royal Botanic Gardens, Kew.
