Suzy Webster : Folk Art Quilted Traditions before purchasing it in order to gage whether or not it would be worth my time, and all praised Folk Art Quilted Traditions:

0 of 0 people found the following review helpful. Jacobean basisBy Kathleen MatthewsGreat patterns but what you see on the cover is what you get in the book. Not a very thick book. I was looking for patterns to create a Jacobean quilt and I believe these will do nicely.0 of 0 people found the following review helpful. Folk Art Quilted Traditions bookBy Kathryn L. PhersonThis is a very nice book; it is soft-covered. But the illustrations are done well, mostly all in color, and many patterns included. Would recommend this book.3 of 3 people found the following review helpful. Beautiful full size applique designsBy Kindle CustomerIf you have always wanted to try applique I would definitely recommend this book. It would be a great addition to anyone's quilt book library. There are full color photos and diagrams throughout the book. I am a fellow Island Batik ambassador with Suzy Webster and was given a copy of this book and I created a project for a blog hop about the book. There are 12 different applique designs in her Hungarian

Heritage quilt and also 4 other projects. All of the applique designs are full size and she has wonderful information and photos showing you how to place the applique pieces on your background fabric.

Suzy Webster's beautiful homage to her Hungarian heritage is a must-have for quilters. Includes an entire chapter on the process of choosing fabric for applique. Suzy has several original applique block patterns based on Hungarian Folk Art. Detailed step-by-step process of doing machine applique to make everyone successful. Projects vary in size to appeal to a wide range of readers.

About the Author Suzy Webster has been quilting since she was eight years old. Over the years she has come to love a variety of quilting techniques, her favorites being applique, paper-piecing, designing her own original work, and free-motion machine quilting. She has won numerous awards including six Best Machine Quilting ribbons. She also won the Young Designer's category at Paducah three years in a row. She currently teaches beginning machine quilting.
