Suzi Parron : Following the Barn Quilt Trail before purchasing it in order to gauge whether or not it would be worth my time, and all praised Following the Barn Quilt Trail:

2 of 2 people found the following review helpful. I love the stories By M. Gist I love the stories. I have traveled from east coast to west coast! Every time we discover a Barn Quilt, I am so pleased to see the art of quilting being shared! 3 of 3 people found the following review helpful. Five Stars By Linda B. An amazing adventure for quilt lovers and all Americans! 3 of 3 people found the following review helpful. Five Stars By Suzanne S. Like better than volume 1.

Barn quilts are rural gifts, a bright spot along America's highways and byways. As a quilter myself, the simple sight of a barn quilt has often made my heart smile. We recognize the blocks, they speak to us without words. This book captures everything I love about barn quilts with beautiful photos and captivating details. Where will you spy your next barn quilt? Bonnie K. Hunter, Quiltville.com Suzi Parron, in cooperation with Donna Sue Groves, documented the massive public art project known as the barn quilt trail in her 2012 book *Barn Quilts and the American Quilt Trail*

Movement. The first of these projects began in 2001, when Groves and community members created a series of twenty painted quilt squares in Adams County, Ohio. Since then, barn quilts have spread throughout forty-eight states and several Canadian provinces. In *Following the Barn Quilt Trail*, Parron brings readers along as she, her new love, Glen, their dog Gracie, and their converted bus Ruby, leave the stationary life behind. Suzi and Glen follow the barn quilt trail through thirty states across thirteen thousand miles as Suzi collects the stories behind the brightly painted squares. With plentiful color photographs, this endearing hybrid of memoir and travelogue is for quilt lovers, Americana and folk art enthusiasts, or anyone up for a good story.

Praise for *Barn Quilts and the American Quilt Trail Movement* Parron's striking photographs and narrative of her journey on the Quilt Trail bring out the personal and community meaning behind quilts. The book does justice to its subject, through the charm of its photographs and the many interesting stories behind this public art movement. Now
